

Interested in model rocketry in the Washington/Hood River Oregon Area?

Then join us ☺

The Gorge Rocket Club Section 790 (GRC 790) of the National Association of Rocketry is forming. It is an official chapter of the National Association of Rocketry and was recently established in the later part of 2015. The hobby of rocketry has been in existence since 1957.

To join GRC 790, fill in this application form and send it to the address listed below.

As a member you will receive a membership card and a cool flight logbook which will be the start of recording your achievements and also help keep track of how your rocket performed in flight and more.

Please note that to be eligible to in NAR competitions known as NCR, you must also be a current member of the NAR. In addition if you sign up to be a NAR member you will receive a really great and informative bi-monthly magazine and learn a lot of interesting things which will be beneficial and fun to know.

The membership goes directly to ensuring that the launch gear and fields utilized have the most up to date safety equipment and launch items to improve operational success.
